To Shirley Spruill
Renaissance Community Development Credit Union

Dear Shirley,

This is a note to tell you that it is a pleasure to work with the Renaissance Community Development Credit Union.

We have just renewed some previous handicapped vehicle sales and came across our transaction concerning the vehicle you helped Terrance Walton purchase.

The Credit union that you operate was the only one that approved the Terrance Walton Deal after numerous rejections from other financial institutions.

People with disabilities have a very difficult time getting transportation to their job or just living the life that most people take for granted

I know that Terrance will be forever grateful to your credit union for giving him the ability to live his life as best as he physically can.

Thank you and your credit union for going the extra mile in helping the disability community.
